

PRODUCT DATA SHEET

Meteorite 35 wall/ceiling

DESIGN BY:

Pio & Tito Toso

MATERIALS:

DESCRIPTION:

"Meteorite originates from the pursuit of a new sensibility, a new expressive language for lighting blown-glass. The starting point was our fancy for Venetian "beaten" glass, for the grinding effect, and for the strong charm of the "unfinished" feel that such kind of process brings to glass. We designed a special glass-blowing and grinding process, which allows to obtain impressive lighting depth in the illuminated object, and to make this beauty accessible or – we might say – democratic." Pio e Tito Toso. A family of lamps comprised of four different types, with a double-layer artistic glass diffuser obtained by means of the craft still glass blow moulding technique followed by frosting.

TECHNICAL DATA SHEET

FEATURES

Product name: Meteorite 35 wall/ceiling
 Article Code: 1701010A
 Colour: white
 Series: Design

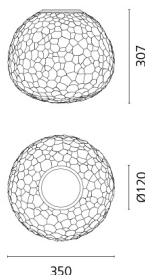

DIMENSIONS

Length: cm 35
 Height: cm 30.7
 Glow Wire Test: N/D °

LAMPS NOT INCLUDED

Category: HALO
 Number: 1
 Lbs: G95
 Watt: 150W
 Socket: E27
 Luminous Flux (lm): 2870lm
 Colour temperature (K): 2900K
 Class: A

DIMENSIONS

COLOUR

LUMINAIR

Watt: 150W
 Voltage: 220V - 240V
