Meteorite 48 wall/ceiling

DESIGN BY:

Pio & Tito Toso
2015

MATERIALS:

DESCRIPTION:

"Meteorite originates from the pursuit of a new sensibility, a new expressive language for lighting blown-glass. The starting point was our fancy for Venetian "beaten" glass, for the grinding effect, and for the strong charm of the "unfinished" feel that such kind of process brings to glass. We designed a special glass-blowing and grinding process, which allows to obtain impressive lighting depth in the illuminated object, and to make this beauty accessible or – we might say – democratic." Pio e Tito Toso. A family of lamps comprised of four different types, with a double-layer artistic glass diffuser obtained by means of the craft still glass blow moulding technique followed by frosting.

TECHNICAL DATA SHEET

FEATURES

Product name: Meteorite 48 wall/ceiling
Article Code: 1712010A
Colour: white
Series: Design

DIMENSIONS

Height: cm 42
Diameter: cm 47.6
Base Diameter: cm 24.7
Glow Wire Test: N/D °

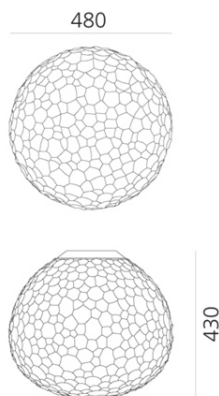

LAMPS NOT INCLUDED

Category: HALO
Number: 1
Lbs: G95
Watt: 150W
Socket: E27
Luminous Flux (lm): 2870lm
Colour temperature (K): 2900K
Class: A

LUMINAIR

Watt: 150W
Voltage: 220V - 240V
