

PRODUCT DATA SHEET

Orsa 21

DESIGN BY:

Foster + Partners Industrial Design

MATERIALS:

methacrylate, aluminum, brass

DESCRIPTION:

Orsa is an embodiment of precision – an elegant pendant light pared down to its essential elements, allowing the light to express a larger volume. A slim metal stem flares out at one end to form the heat-sink and housing for the LED, with a UV bonded moulded glass cover containing the light source. The design of the glass cover ensures that the light source remains invisible, giving it an appearance of a floating disk of light. The industrial design team at Foster + Partners experimented with various materials, surfaces and optics to achieve the desired lighting effect and volume. The precision glass takes its shape from the focused output of the LED which is diffused through a specially engineered etched lens, focussing the light over a wider area. An elegant, minimalist object, Orsa is designed as a single piece or as a part of a larger ensemble.

TECHNICAL DATA SHEET
FEATURES

Product name:	Orsa 21
Article Code:	0351030A
Colour:	Black
Material:	methacrylate, aluminum, brass
Series:	Design, Novelties
Environment:	Indoor

OPTICS

Emission:	Direct
-----------	--------

DIMENSIONS

Height:	cm 60
Diameter:	cm 21
Base Diameter:	cm 13.5
Max Height from ceiling:	cm 200

LAMPS INCLUDED

Category:	LED
Number:	1
Watt:	7W
Color temperature (K):	3000K
Class:	A

LUMINAIR

Watt:	7W
Luminous Flux (lm):	275lm
CCT:	3000K
CRI:	90

DIMENSIONS
