

PRODUCT DATA SHEET

Stabligh Smart - Blue

DESIGN BY:

Arik Levy

MATERIALS:

metal, fabric

DESCRIPTION:

Stabligh Smart start from the intelligent Stabligh suspension system: the three arms supporting the luminous bodies can rotate to close in line or open up to 360° so as to adapt to any spatial configuration and follow flexibly the changing needs of light environments. In Stabligh Smart the lamp body is naked, without the characteristic Stabligh glass, but became colorful, coordinated with the colour of the fabric cables that support them.

TECHNICAL DATA SHEET
FEATURES

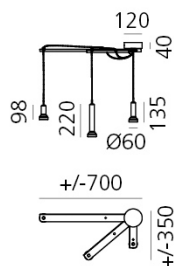

Product name:	Stabligh Smart - Blue
Article Code:	DAL0028A14
Colour:	Blue
Material:	metal, fabric
Series:	Design
Environment:	Indoor

DIMENSIONS
LAMPS NOT INCLUDED

<input type="checkbox"/> LED	Category:	LED
	Watt:	6,8W
	Socket:	GU10
	Class:	A
	Beam:	36°

LUMINAIR

Watt:	3x6,8W
Efficiency:	100%
