

## PRODUCT DATA SHEET

### Stablight Smart - Red

**DESIGN BY:**

Arik Levy

**MATERIALS:**

metal, fabric

**DESCRIPTION:**

Stablight Smart start from the intelligent Stablight suspension system: the three arms supporting the luminous bodies can rotate to close in line or open up to 360° so as to adapt to any spatial configuration and follow flexibly the changing needs of light environments. In Stablight Smart the lamp body is naked, without the characteristic Stablight glass, but became colorful, coordinated with the colour of the fabric cables that support them.

EXTRA LED

Red

**PRODUCT CODE**

DAL0028A16

**Light emission**

IP20 

**TECHNICAL DATA SHEET**
**FEATURES**

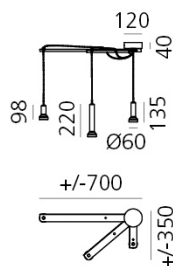

Product name:	Stablight Smart - Red
Article Code:	DAL0028A16
Colour:	Red
Material:	metal, fabric
Series:	Design
Environment:	Indoor

**DIMENSIONS**
**LAMPS NOT INCLUDED**

<input type="checkbox"/> LED	Category:	LED
	Watt:	6,8W
	Socket:	GU10
	Class:	A
	Beam:	36°

**LUMINAIR**

Watt:	3x6,8W
Efficiency:	100%

**DIMENSIONS**

**COLOUR**
