

PRODUCT DATA SHEET

Invero 214 Ceiling - White

DESIGN BY:

Carlotta de Bevilacqua
2015

MATERIALS:

Glass/Aluminium

DESCRIPTION:

As Icalmo, Invero combines the features of a craft technique with optoelectronics innovation. Added to Incipit - an optical, thermal and technological machine - Artemide combines a human and craft dimension, contemplating the beauty of imperfection thanks to the revisitation of the blown glass. Invero resumes in the proportions the classic form of the Veronese vase, typical of the Venetian glass production. It is a reinterpretation of the traditional glass processing techniques not only in the finish but also in the form that is translation of a specific craftsmanship production. Invero, even in its geometry, becomes a tribute to a historical memory, takes up ancient knowledge and values in a contemporary craft key skills, supporting and preserving them.

TECHNICAL DATA SHEET

FEATURES

Product name:	Invero 214 Ceiling - White
Article Code:	1906120A + 1908220A
Colour:	White
Material:	Glass/Aluminium
Series:	Design

DIMENSIONS

Height:	cm 31.7
Diameter:	cm 23
Base Diameter:	cm 16

DIMENSIONS

LAMPS INCLUDED

Category:	LED COB
Watt:	26W
Luminous Flux (lm):	2602lm
Color temperature (K):	3000K
Class:	A

LUMINAIR

Watt:	29W
Luminous Flux (lm):	1581lm
CCT:	3000K

COLOUR
